RE: Opinion # (O-08-75)

Dear Mr. Miller:

This will acknowledge receipt of your letter of May 9, 1975, requesting an advisory opinion from the Commission. In order to provide you with some guidance prior to the receipt of a formal opinion I would suggest that your organization file Primary campaign reports of the "subsidiary Primary campaign organization's" efforts on behalf of candidates. In the event that the candidates whom you are supporting have not expended in excess of \$1,000 it would not be necessary under the last paragraph of Section 8 to file at all.

Yours very truly,

David F. Norcross  
Executive Director
