RE: Withdrawal of Advisory Opinion Request from New Jersey State PAC
Our File No.: Advisory Opinion No. 13-1989

Dear Attorney General Perretti:

The Election Law Enforcement Commission has received the enclosed letter from R.S. Peterson, Administrator, New Jersey Bell State Political Action Committee, withdrawing a previously made request for an advisory opinion on behalf of that entity.

By letter dated August 9, 1989, the Commission forwarded that request to your office for the issuance of an advisory opinion, which is pending. Therefore, I am now submitting Mr. Peterson's withdrawal of that request.

Very truly yours,

Gregory Nagy
